For The Attention of The Media

I am excited to bring to your attention the release of the 40th Anniversary edition of my original 1970's Captain Cannabis No. 1 comic book titled, 'Roll Me Another One.'

The book picks up the crazy adventures of young Hal Lighter as he gets caught in the middle of an extra-dimensional turf war over Earth in his attempts to save sweetheart Marion Jones from evil's clutches. In the process, he uses intragalactic weed to transform into 'Captain Cannabis,' a superhero that's about as far from politically correct as you can get.

Story and artwork are by myself, Verne Andru, a veteran of comic books and animation with credits including Captain Canuck, Charleton Comics Group, Universal Studios, Hanna-Barbera and Nelvana's animated cult classic 'Rock & Rule.'

The series is a modern 'underground,' modeled after such favorites as the Freak Bros., Fritz the Cat and Heavy Metal.

To receive a free review copy of 'Captain Cannabis No. 1 40th Anniversary' comic book, a media kit or, to arrange for an interview, special feature, review or guest appearance, please do not hesitate to contact me at your earliest convenience.
