CAPTAIN CANNABIS®

WORLD'S FIRST CANNABIS SUPERHERO!

Welcome to the 45th Anniversary *Captain Cannabis® Wish Book*, a catalogue of the ever-expanding Captain Cannabis universe.

With cannabis legalization pending in the nineteen-seventies (Canada) budding comic book artist Verne Andru mixed a laze-about character with intragalactic-weed-derived-superpowers to create Captain Cannabis, the world's first *Sensi-Super!* The official copyright for the comic book followed on April 20, 1977, that registration being the first 4/20 in recorded history!

Centred around a current-era fantasy-adventure, we follow Hal Lighter on a collision course with a military black-op gone wrong over a stash of intragalactic pot from the 1947 Roswell UFO crash; Hal needs it to become superhero *Captain Cannabis* to fulfil his mission; black-op need to put the genie back in its bottle before that happens.

A product of the nineteen-sixties underground comic book movement, Captain Cannabis is an indie original. Verne grew up in back in the day and caught the comic book bug from undergrounds Head Shops sold at the time; disliking mainstream offerings he created Captain Cannabis to merge great art with great story.

Industry suppression, culture and drug wars closed down Head Shops making distribution impracticable; during the eighties and nineties drug-war years it was impossible to get anything with *cannabis* in the title, like *Captain Cannabis* comic books, listed in stores. As a work-around the latter part of the story was issued as a feature film screenplay, comic book and DVD set under the *420* brand.

Impediments relaxed as jurisdictions moved to legalize cannabis circa 2012. We published the original Captain Cannabis comic in a 40th Anniversary edition in anticipation of Canada's 2018 legalization. The second book, also a 40th Anniversary release, followed in time for legalization and removal of so-called *crime comic* provisions from the criminal code; possessing for sale a comic book depicting a crime, which all superhero comics do, had previously been a criminal offense punishable by two years imprisonment.

In 2019 we celebrated with the introduction of a line of jewellery and clothing followed in 2022 with the *420 YOYO* and *Captain Cannabis No. 3* comic book.

45th Anniversary releases include the first in the *Captain Cannabis Stash* Graphic Novella series, long awaited paperback edition of *Captain Cannabis: 420 Feature Screenplay* and *Outside The Box*, a collection of mind-bending quotes collected over the course of production.

Moving forward watch for story chapters coming out as new comic books in the on-going Captain Cannabis® series. Books are being assembled and released as graphic novels and movies in a modern adaptation to the publishing model used by literary great Charles Dickens.

Thanks for joining along and we hope you enjoy the ride.

CAPTAIN CANNABIS® COMIC BOOK SERIES

This series starts with 40th Anniversary editions of the first two Captain Cannabis comic books from the seventies. True to its underground comic book roots, the story follows Hal Lighter after he finds intragalactic weed that transforms him into superhero Captain Cannabis. Series will include 24 comic books, 8 graphic novellas and 8 feature films with material from *420* making up the second half of this epic heroes journey.

CAPTAIN CANNABIS NO. 1 - 40TH ANNIVERSARY-----\$ 9.95

Pages: 24 period-correct black & white
Size: 6.62" x 10.25" / 169mm x 260mm
ISBN: Book 9780973885156 / Digital 9780973885163

What's inside: 40th Anniversary edition includes an updated release of the original *Captain Cannabis* comic *Roll Me Another One*, its official 4/20 copyright certificate and part 1 of *Angel*, another story by Verne with some art by George Freeman (Captain Canuck/Marvel artist).

Captain Cannabis No. 1 opens on young Hal Lighter contemplating a recently found glowing joint after a hard days work. He's short of a light but hopeful best friend Marion will arrive shortly with a spark of her own. Unfortunately she is the victim of a home-invasion that sees her drugged and removed at gun-point by mysterious black-suited agents. Unable to help Hal strikes up the glowing weed only to find himself transformed into *Sensi-Super Captain Cannabis* to try and save the day.

CAPTAIN CANNABIS NO. 2 - 40TH ANNIVERSARY-----\$9.95

What's inside: updated 40th Anniversary release of second *Captain Cannabis* comic and part 2 of Verne's *Angel* sci-fi thriller.

Captain Cannabis Part II, *Roll Me Another Just Like The Other*, is 22 pages with Verne returning on story and art. It picks up the story as Captain Cannabis spins out of control from the mysterious joint he puffed. Caught in a surreal nightmare, he confronts his innermost demons while Marion's resolve is put to the test.

Angel 2 continues as Angel Turner's survival gets increasingly perilous after her space shuttle crash lands on an alien planet. Six previously unpublished pages from Verne with fellow Captain Canuck and Marvel artist George Freeman returning on inks.

CAPTAIN CANNABIS NO. 3-----\$ 9.95

Language: English; written and illustrated by Verne Andru
Pages: 32 period-correct black & white
Size: 6.62" x 10.25" / 169mm x 260mm
ISBN: Book 9780973885194 / Digital 9781999478308

What's inside: 24 all new Captain Cannabis story pages plus an 8 page *420 YOYO Guide!*

Titled *YOYO* this issue picks up the story as Hal recovers from his cosmic-pot-induced near-death-experience. He frantically searches for the rest of that joint but he's not alone; agent Ralph Bukster is also on the case to retrieve the cosmic reefer, part of a stash of intragalactic weed from the '47 Roswell crash. This issue bridges the original No. 1 and No. 2 (now 40th Anniversary issues) with the second half of the story found in the *420* series.

A stoner-friendly *YOYO Player's Guide* rounds out this issue giving you everything you need to get the most from your *Captain Cannabis 420 YOYO* including Trouble Shooting and advanced YOYO tricks!

GRAPHIC NOVELS

Captain Cannabis is an epic fantasy adventure told over a series of books and movies. Periodically comic books are collected into Graphic Novellas, Graphic Novels and special editions as part of the new Stash series.

Captain Cannabis Stash Vol. 1 - Beginning of the End - GRAPHIC NOVELLA----- \$ 24.95

Language: English; written and illustrated by Verne Andru
Pages: 72 pages total - 64 art pages in period-correct black & white
Size: 6.62" x 10.25" / 169mm x 260mm
ISBN: Book 9781999478346

What's inside: *Beginning of the End* is the first volume in the new Stash series of graphic novellas. Each volume collects Captain Cannabis story pages from previously published comic books into a coffee-table friendly package; *Beginning of the End* consists of Captain Cannabis No. 1, 2 and 3 in one continuously flowing story. Putting books in a single volume provides a more convenient reading experience. At 72 pages the book is a much bigger read than a single comic but not enough to be called a novel, so novella seemed the most descriptive.

Captain Cannabis, the world's first sensi-super, is manifested when Hal Lighter puffs an intragalactic joint that escaped the '47 Roswell UFO crash sparking a decades-long drag to snuff it out. Transformed into superhero Captain Cannabis, he's Sensi-Super on a mission!

420 - FEATURE SCREENPLAY, DVD & COMIC BOOK

Created in the nineteen-seventies, active drug and culture wars made selling of anything with cannabis in the title problematic. In response Verne developed the second half of the Captain Cannabis epic as a stand-alone feature titled *420*. He drew thousands of storyboards for the film, divided them into 13 parts and released the first *420* comic book during 2007 followed by webisodes, DVDs and streaming. With the launch of the new Captain Cannabis® series, starting with *40th Anniversary* releases of No. 1 and No. 2, this *420* story material will appear as new issues in the expanding Captain Cannabis universe.

CAPTAIN CANNABIS: 420 FEATURE SCREENPLAY ----- \$ 24.95

Language: English; written and illustrated by Verne Andru
Pages: 116 pages total – 107 screenplay pages
Size: 6.62" x 10.25" / 169mm x 260mm
ISBN: Book 9781999478360

What's inside: Paperback containing the complete 107-page screenplay as registered with the Writers Guild of America West (2005) and used for the first *Captain Cannabis: 420* comic book and feature film animatics. Scripted during the drug-war years it is the latter half of the Captain Cannabis story arc.

Written in standard screenplay format it assumes a third-person point of view, like watching a movie; novels are often written first-person. Hal and Marion, the two human protagonists, are anything but heroes and that is part of the appeal as a waitress and a washed up roadie get mixed up in outlandish circumstances! Throw in a cuddly alien with superpowers and treacherous secret agents and you get an enjoyable read with an expansive subtext that mixes highbrow comedy and adventure with the rough and tumble sensibilities of the wrong side of the tracks.

CAPTAIN CANNABIS: 420 DVD Set ----- \$ 19.95

Captain Cannabis made his screen debut in these behind-the-scenes DVD's based on *Captain Cannabis: 420 Feature Screenplay*. Normally DVDs are done after a film is complete but with a story so outside-the-box and the Internet revolutionizing everything we turned the process on its head by releasing working materials as they happened. Limited availability. Special order only.

What's inside: 2 NTSC DVDs - Feature Animatic (2 hours 10 mins) & 420 (Extras & DVD ROM specials):

- Feature Animatic DVD: Version 1a (Proof of Concept Build) animatic of the *Captain Cannabis: 420 Feature Screenplay*. This is intended to be a rough sketch and not the final film. Animatics are storyboards matched to rough audio used as a visualization tool.
- 420 extras DVD: Starting with a feature-film screenplay the story was divided it into 13 chapters and storyboarded. The first chapter was inked, colored and published as the *420* comic book with this *420* DVD containing the bits created in the process, DVD ROM specials and more.

CAPTAIN CANNABIS: 420 Comic Book ----- \$ 9.95

Language: English; written and illustrated by Verne Andru
Pages: 22 color
Size: 8.40" x 10.70" / 213mm x 272mm
ISBN: Book 0973883707

What's inside: The first of a planned series of 13 books based on the *Captain Cannabis: 420 Feature Screenplay*. With the series restarting from the *40th Anniversary* releases of *Captain Cannabis No. 1* and *No. 2* this and remaining books in the *420* series will be future issues in the new *Captain Cannabis®* series.

420 is a unique blend of science fiction, dark comedy and gritty realism that follows Hal Lighter as he gets caught up in the middle of an extra-dimensional turf war over the planet Earth. This issue finds Hal suffering ill-effects from using cosmic pot; he's lost his job, his girl, his health, his memory and is hustling as a roadie when Marion reappears back in his life.

For mature audiences.

Language: English; compiled, written and illustrated by Verne Andru
Pages: 216 black and white pages including source bibliography
Size: 6" x 9" / 152.4mm x 228.6mm
ISBN: Book 9781999478377

What's inside: A mind-bending collection of notes and quotes covering a wide range of esoteric topics from astral light to clairvoyance, holographic theory, death and supernatural abilities that form the logic underlying the Captain Cannabis universe.

While researching the back-story Verne was faced with a fundamental question: if the Captain gets superpowers from cosmic pot brought by aliens, where do the aliens come from? For answers he set out to read everything on the subject leading to hundreds of books and papers, many long out of print. He wrote passages that struck him as outside-the-box of conventional thinking in a notebook which is reproduced in this paperback as noted in his own hand.
